Hosur, Tamil Nadu · +91 9342831103 · medhapandi@gmail.com · [LinkedIn](#) · [Portfolio](#)

UI/UX Designer passionate about creating intuitive and visually engaging digital experiences through usability-focused design, interaction systems and responsive interfaces. Experienced in building reusable UI patterns, high-fidelity prototypes and research-informed workflows using Figma and modern UX tools.

PROJECTS

BrideEase - Wedding Planning App | [Case Study](#) 2026
Product & Communication Design Case Study

- Designed responsive mobile interfaces for a wedding planning platform focused on booking and scheduling experiences.
- Created structured user journeys, high-fidelity prototypes and reusable UI components using Figma.
- Applied usability-focused research insights and interaction refinements to improve navigation clarity and booking workflows.

Local Service Booking App | [Figma](#) 2026
UI/UX Designer

- Designed a mobile-first booking experience with 5 core user flows across 20+ responsive screens.
- Created wireframes, interaction patterns and interactive prototypes for scalable booking workflows.
- Reduced booking friction by simplifying service discovery and scheduling interactions.

DESIGN EXPERIENCE

UI/UX Case Study Practice | Self-Initiated Projects | Dec 2025 – Present

- Designed 45+ responsive mobile and web screens using Figma and reusable UI patterns.
- Practiced usability-focused interface refinement through typography, spacing and layout systems.
- Participated in usability testing, feedback analysis and collaborative design reviews to improve user experience quality.

EDUCATION

Karunya Institute of Technology and Sciences, Coimbatore
Bachelor of Technology (B.Tech) in Computer Science and Engineering- 2025

CERTIFICATION

Graphic Design Essentials - **Canva Design School** | 2026
Digital Skills: User Experience - **Accenture - Future Learn** | 2026
Enterprise Design Thinking Practitioner - **IBM SkillsBuild** | 2026

SKILLS

UX Research & Product Design: User Research, Product Thinking, User Journey Mapping, Wireframing, Information Architecture, Rapid Prototyping & Iteration, Usability Testing, Design Thinking.

UI Design: Typography, Spacing Systems, Visual Hierarchy, Responsive Layouts, Layout Design, Interaction Design, Mobile & Tablet UI Design, Interactive Prototyping, Design Systems.

AI-Native Design Workflows: Codex, Cursor, Claude Design, Figma AI.

Frontend Basics: HTML, CSS, JavaScript.

Tools: Figma, FigJam, Framer, Adobe Photoshop
